

*What's Good About Cyberjaya*

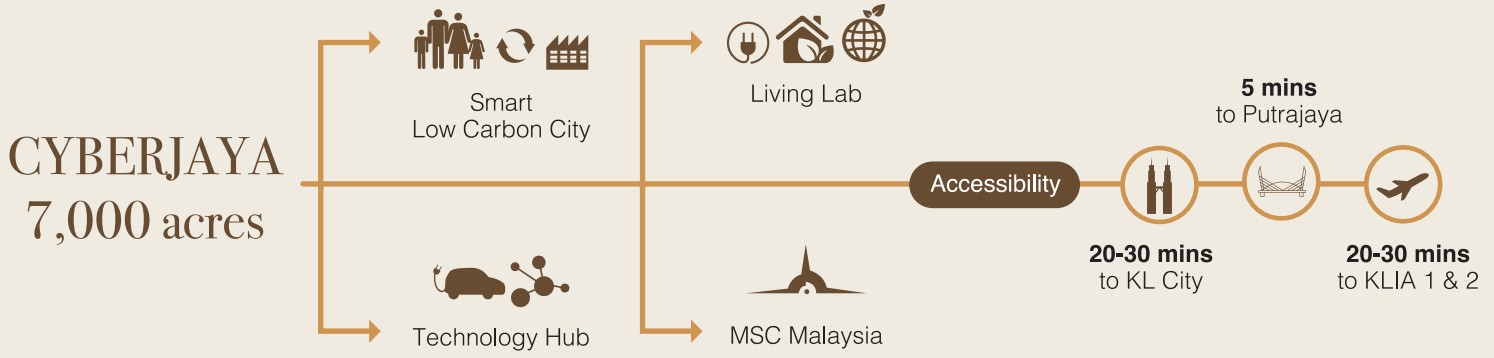

THE MULIA  
RESIDENCES

Rediscover what's good.

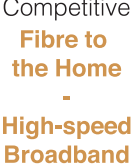

Cyberjaya is Malaysia's first intelligent city. It is fast becoming a global tech hub that is home to many multinational companies such as Shell, Dell, BMW, HSBC, DHL and many more. It is also the chosen location for the nation's top smart schools and institutions. The township also provides a conducive living environment with convenient amenities. With all these in mind, choosing to live in Cyberjaya is definitely a good decision.
